

BERGEN COUNTY, NEW JERSEY 2026 MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN

Michael Baker
INTERNATIONAL

OVERVIEW

The Bergen County Office of Emergency Management is updating the County's Hazard Mitigation Plan.

Hazard mitigation planning identifies risks and vulnerabilities associated with natural disasters and develops long-term strategies for protecting people and property from future hazard events. Updates are required every five (5) years in order for communities in Bergen County to be eligible for certain types of state and federal disaster relief funds after a disaster occurs.

PUBLIC WORKSHOP

The draft plan is now open for public review. We want your feedback! You can review the draft plan via this link and provide your feedback by emailing your comments to Taylor Harrington (email below) or by attending the public meeting on October 7, 2025 at 1:00 pm. This will be a virtual meeting that will provide a high-level summary of findings and an opportunity for the public to provide comments or ask questions.
