The Meals on Wheels Program provides a home delivered meal and personal contact to confirm your safety. The driver cannot leave a meal without speaking with you. Please call the office at 201-336-7420 if you will not be home to accept your meal, or an 'Attempted to Deliver' tag was left. If we do not hear from you, we will stop your meal delivery and may call the police to make sure you are safe. Failure to abide by the program rules may result in termination from the program. Thank you for your cooperation.

Residents who are homebound and live alone are encouraged to participate in the Bergen County Wellness Check Program. A call will be made on the days and time that the individual specifies to check that they are safe. For information on this free service, please call 201-336-7400.
